Clones	76, 95, 548
Alcohol	13%
Harvest Date	August 19, 2015
Production	110 cases
SKU	841783
UPC	6 26990 19164 3
Price	\$26.00 (+tax & deposit) (\$22.89 Whsl. \$25.99 Hosp)

Tasting Notes

The 2015 Chardonnay shows a lovely texture, complex hazelnut notes, peach and nectarine stone fruit, lemon and crisp, racy, stony mineral acidity. The early harvest gave perfectly ripe fruit and the calcium carbonate soils from the Mulberry Tree Vineyard maintained lovely acidity. Crisp, racy, mineral and long with layers of texture from the barrel fermentation and ageing.

Vintage & Production

The 2015 vintage was another great, warmer vintage that started early allowing for perfect ripeness. We were able to pick the grapes as early as August 19th, thanks to the early start to the season, with plenty of flavour and still showing the Little Farm Trademark style of crisp acidity and minerality. The grapes are organically farmed in the mineral rich, calcium carbonate soils of our home Mulberry Tree Vineyard in Cawston, Similkameen Valley. Three clones are used (76, 95 & 548) and our winemaking is hands off using old neutral barrels and lees aging to give texture and complexity. The grapes were gently whole cluster pressed to old, neutral French oak barrels for fermentation and aging on the lees for around 10 months before bottling in early August 2016.

About Little Farm Winery

Little Farm Winery is the small hands-on operation of Rhys Pender MW and Alishan Driedtger. It started with a passion for wine and developed into growing and producing Chardonnay and Riesling from their Mulberry Tree Vineyard at their home in Cawston, BC in the beautiful Similkameen Valley. A dry Rosé and Cabernet Franc from Blind Creek Vineyard were added later. The goal was always to make wines with minimal manipulation and intervention that really capture the vineyard site and each year's unique growing season. The vines were planted in 2009 on the calcium carbonate rich soil, braving the unforgiving Similkameen sun and wind. The first wines were made in 2011. Total production in 2015 was 600 cases.

Little Farm Winery will never be big and will always focus on making small batches of single-vineyard wine that reflect each site's unique characteristics. The goal is to make interesting, characterful, natural-ish wines and look after our little farm.
